

# OSU Master Gardeners Douglas County

## Master Gardener™ Pavilion Series

Free classes for home gardeners! Every third Thursday of the month!

### *This Month we are Combining our Simply Shrubbery, What's Not To Like? AND Sustainable Gardening Basics: Low maintenance, low water gardening*

**Simply Shrubbery:** Permanent plants in your garden can provide a lot of benefits. Shade, soil stability and habitat for beneficial insects to name a few. Shrubs are beautiful and low maintenance additions to your garden. Shrubs can provide seasonal beauty with something for every month. Join us in the garden for a tour with Master Gardener™ Lorreen Robinson for a tour of the Discovery Garden to learn the what, when and where of shrubs.

**Sustainable Gardening:** Do you want to start a garden, but have little access to water? Are you looking to grow more sustainably?

This class is for you! Join us in the garden to learn about low maintenance, low water gardening. Create a beautiful landscape that fits with your visions, and your lands abilities. Learn from Master Gardener™ Geoff Puryear about starting your low maintenance garden!
