

OSU Master Gardeners Douglas County

Master Gardener™ Pavilion Series

Free classes for home gardeners! Every third Thursday of the month!

Up-potting your plants: make sure they have room to grow!

We may have learned how to start tomatoes and peppers from seed in February and March. Now it's time to give them a bigger home! Master Gardener Bruce Gravens will be joining us in April to teach you how to up-pot vegetables once they have grown to the point where they need more space. This class is for all growers who are interested in starting vegetables from seed, and learning the next steps!
